

Lanseria Airport

Directions to the GeoGroup Offices

Including:
 Geomechanics
 GeoSolar
 GeoPower Africa
 Terrapower

We are here

From the N1 Highway

- Take the William Nicol offramp and turn towards fourways
- Take Witkoppen Road (R564) to left
- Turn first right into Cedar Road
- At the end of Cedar Road, the T junction with R114, turn left and immediately first right into 6th Road. This leads to the R512.
- Follow over the N14 highway
- Turn 2nd right (in front of a school) onto Main Ave
- Take 2nd sand road on the right into Central Road
- After 400m you will see a set of white gates and a Geomechanics sign on the right hand side.
